
Top Suppliers Roofing Steel Glazed Roof Tile Making Machine

It is a great way to further improve our products and repair. Our mission is always to create innovative products to prospects with a superior expertise for Top Suppliers Roofing Steel Glazed Roof Tile Making Machine, "Making the Products and solutions of Large Quality" may be the everlasting aim of our organization. We make unremitting efforts to recognize the intention of "We Will Always Keep in Pace with all the Time".

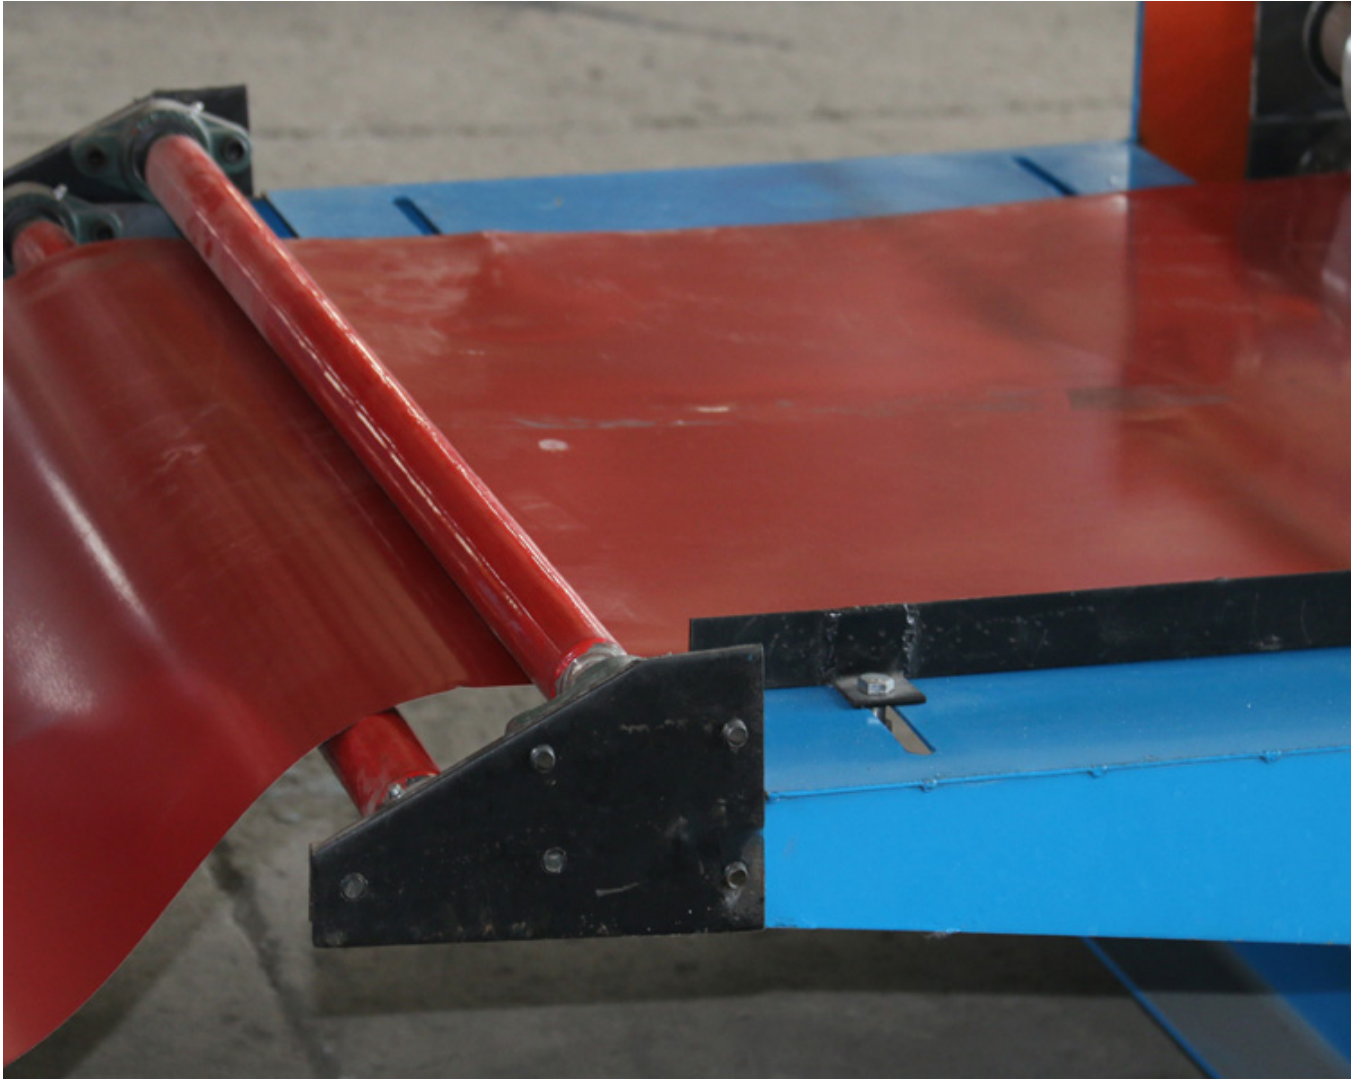

It is a great way to further improve our products and repair. Our mission is always to create innovative products to prospects with a superior expertise for [Roof Tile Making Machine](#), [Roofing Steel Making Machine](#), [Steel Roof Tile Making Machine](#), To get more information about us as well as see all our products and solutions, you should visit our website. To get more information you should feel free to let us know. Thank you very much and wish your business always be great!

The tiles pressed out by the glazed roofing tile roll forming machine are very beautiful, and the technical parameters of the machine are as follows:

1	Main motor power	4kW, 3-phase or as your requests
2	Hydraulic motor power	3kW
3	Hydraulic pressure	10-12MPa
4	Voltage	380V/3-phase/50Hz (or as your requirements)
5	Control system	PLC delta inverter
6	Mainframe	300/350mm H-beam or 350mm
7	Backboard thickness	16mm
8	Chain size	1 Inch
9	Feeding material	color steel coils
10	Feeding thickness	0.3-0.8mm
11	Feeding width	1000mm
12	Effective width	836mm
13	Productivity	0-15/min
14	Roll station	13 roll steps (according to different design)
15	Roller diameter	70mm (depends on different design)
16	Roller material	45# steel
17	Cutter material	Cr12
18	Cr-plating size	0.05mm
19	Overall size	6800*1400*1150mm
20	Total weight	4.8 tons

Glazed roofing tile roll forming machine components include: Manual un-coiler, Guiding platform, Coil strip leveler, Main machine of roll forming, Electric-motor, Cutting device, Hydraulic station, PLC control and Supporter table.

Machine Details :

Packaging Details :

1. Machine is covered by plastic film.
2. PLC control box, spare parts and other small parts are packed by wooden carton box.
