## Discountable price Aluminum Corrugated Roofing Sheet Double Layer Roll Forming Machine With 5 Years Warranty

We pursue the administration tenet of "Quality is superior, Services is supreme, Standing is first", and will sincerely create and share success with all customers for Discountable price Aluminum Corrugated Roofing Sheet Double Layer Roll Forming Machine With 5 Years Warranty, If you are interested in any of our products and services, please don't hesitate to contact us. We are ready to reply you within 24 hours after receipt of your request and to create mutual un-limited benefits and business in near future.

We pursue the administration tenet of "Quality is superior, Services is supreme, Standing is first", and will sincerely create and share success with all customers for [Color Steel Roll Forming Machine](#), [Roll Forming Machines For Sale](#), [Used Roll Forming Machine](#), The company attaches great importance to product quality and service quality, based on the business philosophy "good with people, genuine to whole world, your satisfaction is our pursuit". we design items, According to customer's sample and requirements, to meet the needs of the market and offer you different customers with personalized service. Our company warmly welcomes friends at home and abroad to visit, to discuss cooperation and seek common development!

Double layer roof forming machine parameters

1	Main motor power	4kW/5.5KW/7.5KW
2	Hydraulic motor power	3kW/4kw
3	Hydraulic pressure	10-12MPa
4	Voltage	380V/3-phase/50Hz (or as your requirements)
5	Control system	PLC control system
6	Mainframe	350/400 H-beam
7	Backboard thickness	16mm/18mm
8	Chain size	1 Inch
9	Feeding material	color steel coils
10	Feeding thickness	0.3-0.8mm
11	Feeding width	1000mm
12	Effective width	840mm, 850mm, or as profile
13	Productivity	0-30m/min (motor drive can arrived 25m/min to 30m/min)
14	Roll station	13 roll steps (according to different design)
15	Roller diameter	70mm (depends on different design)
16	Roller material	45# steel
17	Cutter material	Cr12
18	Cr-plating size	0.05mm
19	Overall size	6800*1400*1150mm
20	Total weight	4.8 tons

Components of trapezoidal corrugated metal roof double layer roll forming machine:

Manual uncoiler: 1 set

Guiding platform: 1 set

Coil leveler: 1 set

Roll forming parts: 2 sets

Electric-motor: 1 set

Cutting device: 2 sets

Hydraulic station: 1 set

PLC control: 1 set

---

Output Supporter table: 1 set
