OEM/ODM Supplier Steel Door Window Frame Roll Forming Machine

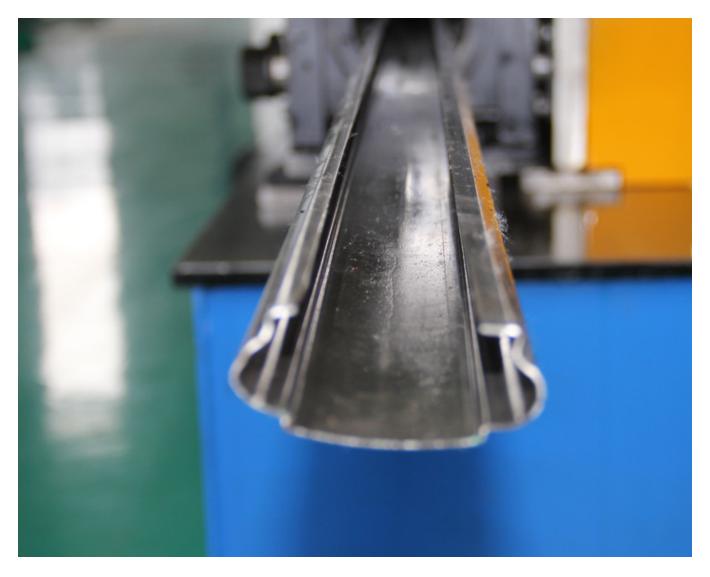

Good quality To start with, and Purchaser Supreme is our guideline to offer the top service to our customers. Presently, we've been seeking our best to be amongst the top exporters inside our industry to fulfill consumers extra need to have for OEM/ODM Supplier Steel Door Window Frame Roll Forming Machine, Created items with brand worth. We attend seriously to produce and behave with integrity, and from the favor of buyers in your house and abroad from the xxx industry. Good quality To start with, and Purchaser Supreme is our guideline to offer the top service to our customers. Presently, we've been seeking our best to be amongst the top exporters inside our industry to fulfill consumers extra need to have for Door Frame Roll Forming Machine, Roll Forming Machine, Steel Door Roll Forming Machine, With a fully integrated operation system, our company has won a good fame for our high quality merchandise, reasonable prices and good services. Meanwhile, we've got established a strict quality management system conducted in material incoming, processing and delivery. Abiding by the principle of "Credit first and customer supremacy", we sincerely welcome clients from home and abroad to cooperate with us and advance together to create a brilliant future.

24 Machine Type Iron Cast				
	24	Machine Type	Iron Cast	

25	Emergency switch	In main machine and control panel all have emergency
		switch for forbid any urgently accident.
26	Protect cover	Complete mobile safety cover from roll forming to the
		cutter.
27	Size of the machine	L*W*H 12m*1.2m*1.2m
28	Container Need	1 x40 feet (base on final)

The steel door frame roll forming machine is a complete product line. After roll forming by our production line, we could make very smooth and beautiful steel door frame without any scratch on surface.

Machine picture display

Packaging Details:

- 1. Machine is covered by plastic film.
- 2. PLC control box, spare parts and other small parts are packed by wooden carton box.

Terms:

- 1. Delivery: within 60 days after receiving the deposit.
- 2. Package: export standard package for container.
- 3. Payment: TT (30% by TT in advance, 70% by TT after inspect the machine before delivery).
