## Supply OEM Color Stone Coated Steel Roof Tile Making Machine

We offer fantastic energy in high quality and enhancement,merchandising,profits and promoting and procedure for Supply OEM Color Stone Coated Steel Roof Tile Making Machine, At present, business name has additional than 4000 kinds of merchandise and gained good status and big shares on current market domestic and abroad.

We offer fantastic energy in high quality and enhancement,merchandising,profits and promoting and procedure for [Color Stone Coated Steel Roof Tile Making Machine](#), [Stone Coated Roof Panel Automatic Press Tiles Making Machine](#), [Warranty For 50 Years Stone Coated Metal Roof Tile Makingmachine/automatic Roof Tile Forming Machine](#), So far our solutions have been exported to east Europe, the Middle East, Southeast, Africa and South America etc. We've 13years specialist sales and purchase in Isuzu parts at home and abroad and the ownership of the modernized electronic Isuzu parts checking systems. We honor our core principal of Honesty in business, priority in service and will do our best to provide our customers with high quality merchandise and excellent service. Our Steel Colored Stone Coated Production Line meets the diverse requirements of our customers.

The Steel Colored Stone Coated Production Line is described in detail as follows:

### NO. 1 Auto bottom glue spraying section

Appearance size	4000*1000*2000mm
Driving section	3KW Excitation motor or frequency speed regulation (AS per customers' requirements)
Automatic pressure spray tank	1set; Capability:200kg; Range:0.6~1Mpa
Automatic glue machine motor	Servo motor; Power:750w; PLC
Automatic spray gun	4 set (spare parts)
Dust collecting fan	1 set; Power: 200w
Damp proof lamp	1 pcs; Power: 100w
Conveying device	Chain reciprocating
Air compressor	1 set; Power: 7.5kw
Dust control of axial flow fan	1 set; Power: 200w
Agitator	1 set; Power: 1.5kw

### NO. 2 Auto stone coated section

Appearance size	3500*1000*1500mm
Framework	Steel welding
Conveying device	Chain reciprocating
Automatic sand hopper	1 set; Capability: 200kg
Bucket lift	1 set
Manual sandblast gun	4 sets

### NO. 3 The first time drying section

Appearance size	25000*1000*1200mm
Framework	Steel welding
Frame type thermal insulation wall	1.2mm cold steel with Rock wool
Automatic temperature controller	4 sets; Range: 0°~160°
Infrared heating tube	30pcs; Power: 30kw
Conveying device	Chain reciprocating
Air cooling device	1 set; Power: 200w

---

NO. 4 Auto face glue spraying section

Appearance size	3000*1000*2000mm
Framework	Steel welding
Damp proof lamp	1 pcs; Power:100w
Automatic pressure spray tank	1 set; Capability: 200kg; Range: 0.6~1Mpa
Conveying device	Chain reciprocating
Automatic spray gun	4 sets (spare parts)
Manual patch glue gun	4 sets
Dust control of axial flow fan	1 set; Power: 200w
Automatic glue machine motor	Servo motor; Power: 750w

NO. 5 The second time drying section

Appearance size	30000*1000*1200mm
Framework	Steel welding
Frame type thermal insulation wall	1.2mm cold steel with Rock wool
Automatic temperature controller	4 sets; Range: 0°~160°
Infrared heating tube	30pcs; Power: 30kw
Conveying device	Chain reciprocating
Air cooling device	1 set; Power: 200w
