FAQ

Q: What can you do if the machine is broken?

A: The warranty period of our machine is 14 months, if the damaged parts can not be repaired, we can send new parts to replace the damaged parts for free, but you need to pay the courier fee yourself. If after the warranty period, we can resolve the issue through negotiation, we provide technical support for the entire life cycle of the device.

Q: Are you a trading company or a factory?

A: We are factory with professional production team and service consciousness just for exporting various types of cold roll forming machines.

Q: How long does it take to produce the machine?

A: Generally speaking, the machine can be completed within 20~45 working days. But if you need machines urgently, we can do our best to save you time.
