
High definition Prepainted Galvalume Steel Coil,Construction Materials

We'll make each hard work to become excellent and excellent, and speed up our measures for standing from the rank of intercontinental top-grade and high-tech enterprises for High definition Prepainted Galvalume Steel Coil,Construction Materials, Our products have exported to North America, Europe, Japan, Korea, Australia, New Zealand, Russia and other countries. Looking forward to build up a good and long term cooperation with you in coming future!

We'll make each hard work to become excellent and excellent, and speed up our measures for standing from the rank of intercontinental top-grade and high-tech enterprises for [Prepainted Galvalume Steel Coils](#), We are increasingly expanding our international market share based on quality products, excellent service, reasonable price and timely delivery. Please contact us at any time for more information.

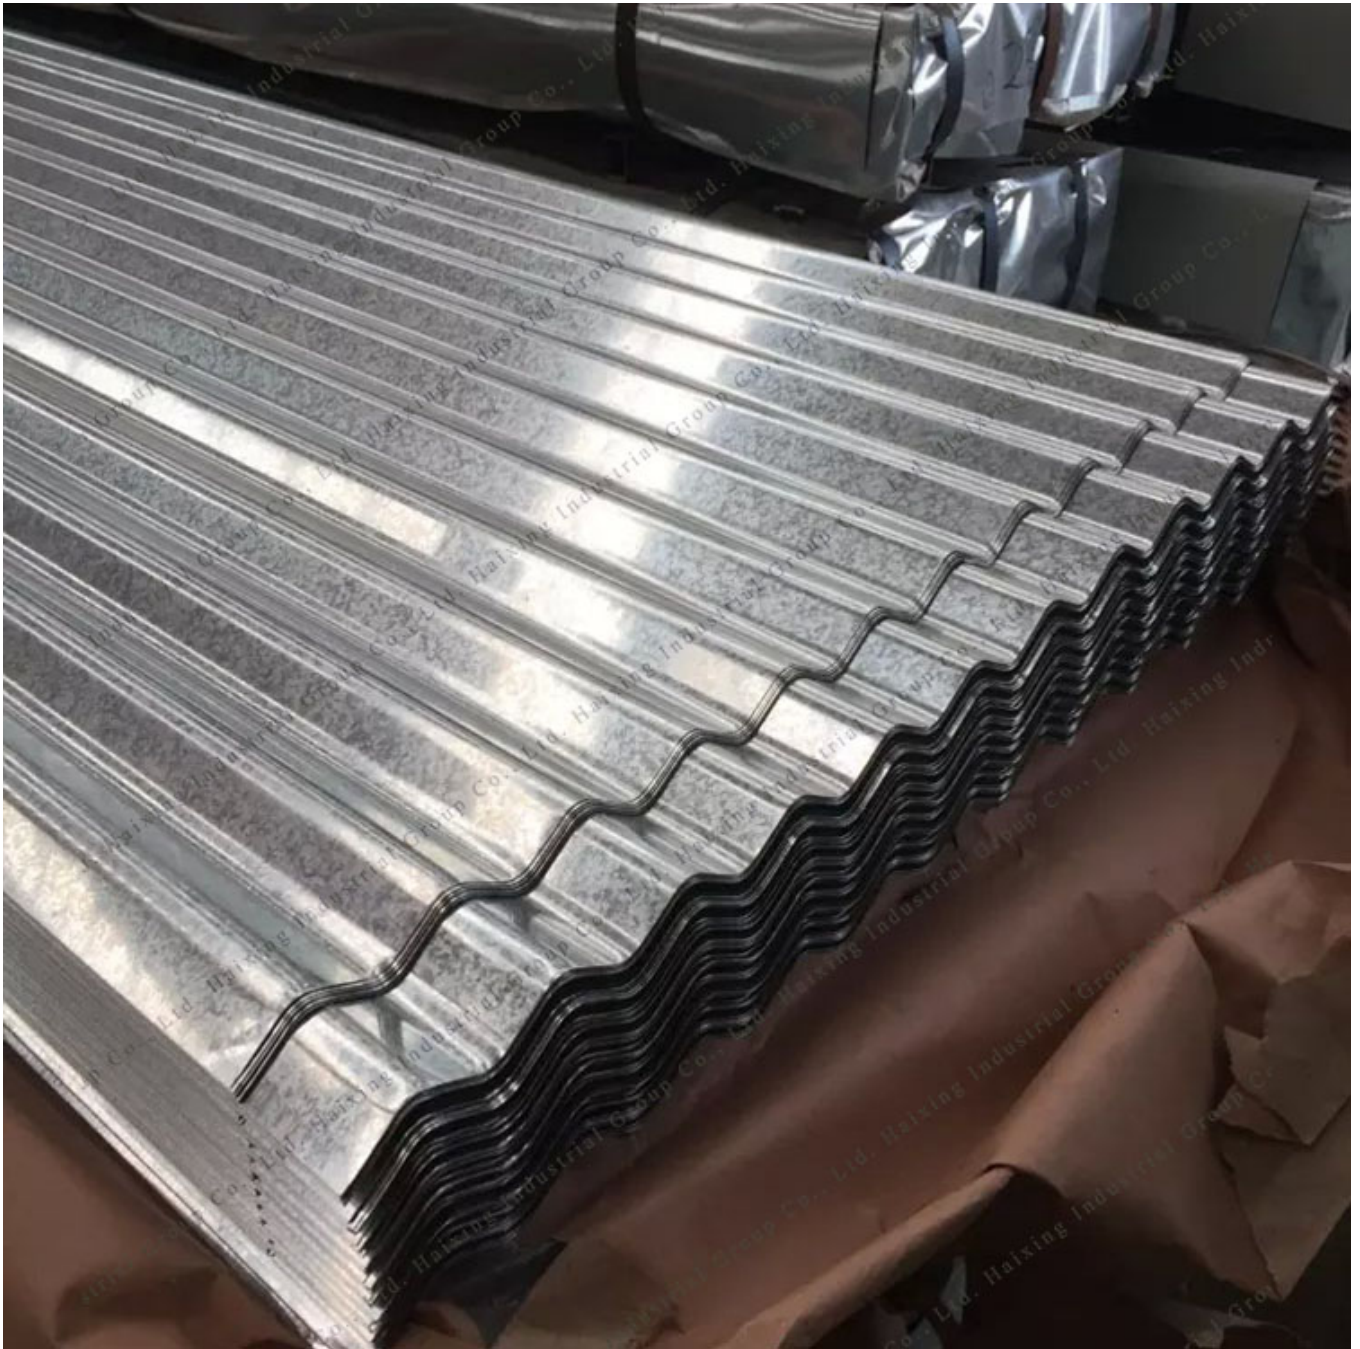

We can provide oversea after-sales.

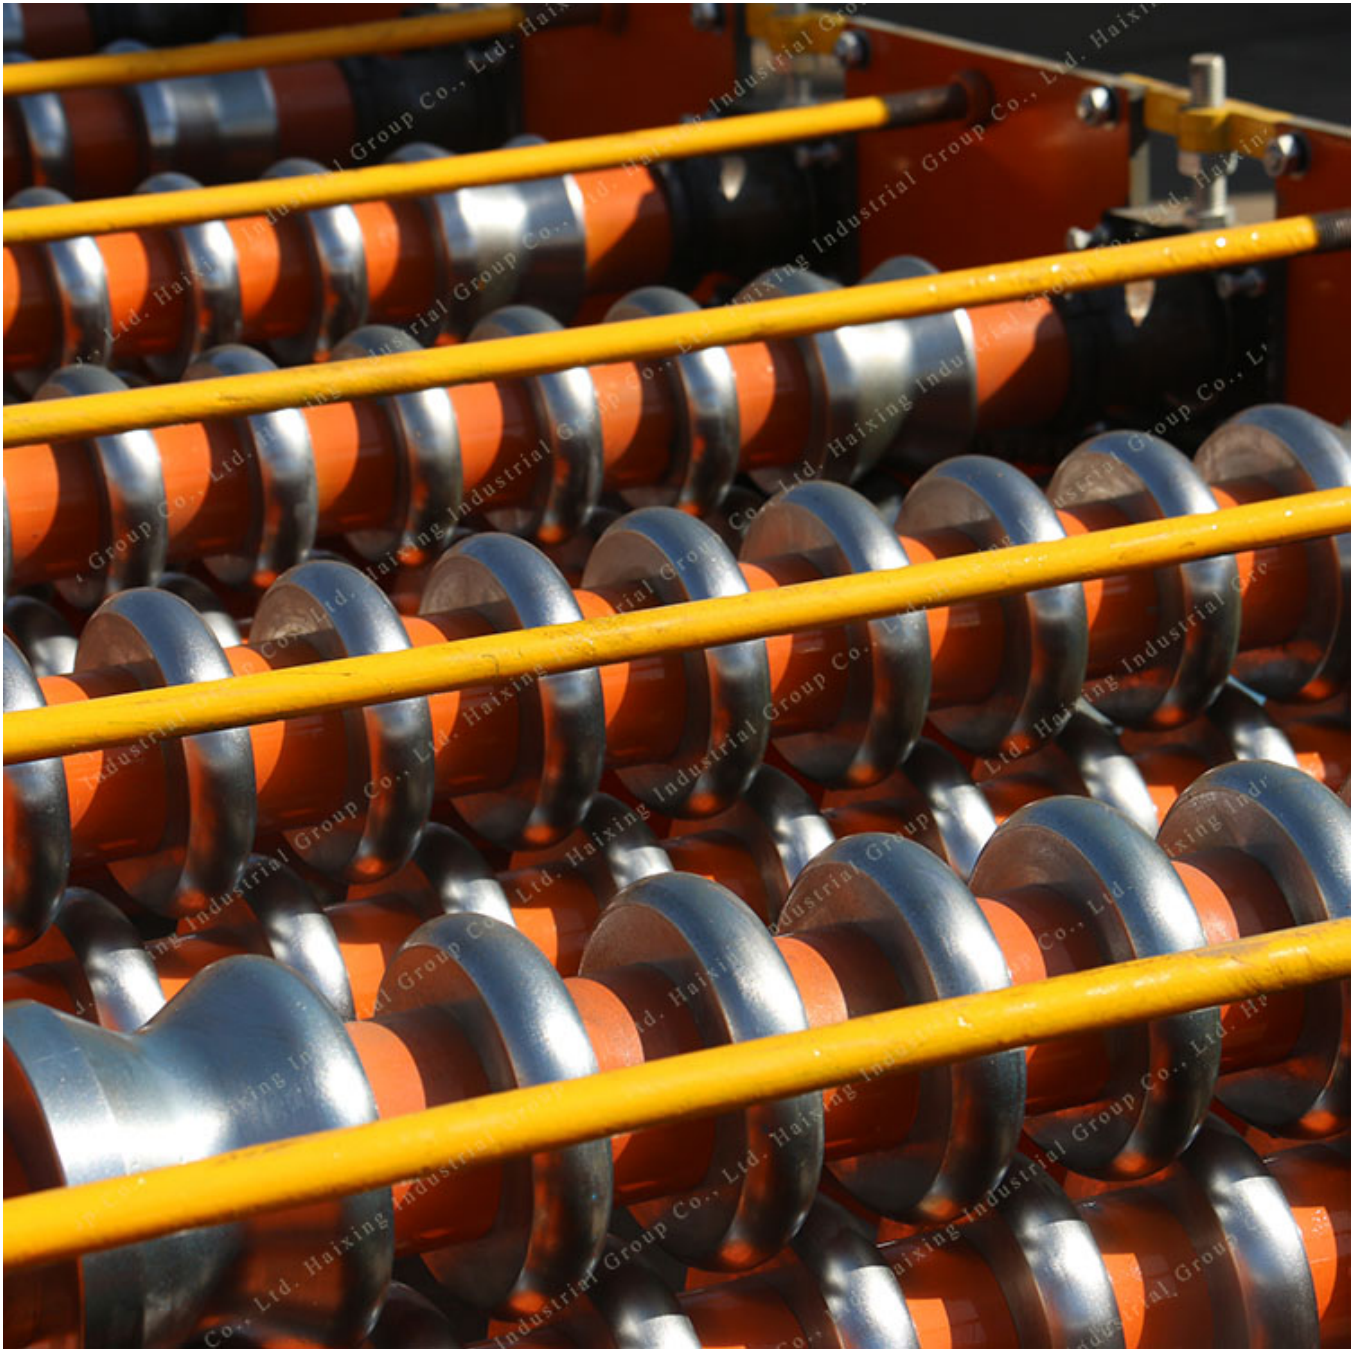

Our engineers have been to Chile, Nicaragua, Indonesia, Russia, Saudi Arabia, Singapore, and other countries for installation and training. Considering the time difference, we can offer online instant video to help customer to solve problems.

Big Structure Roof Steel Machine Product Description

Material of input sheet	Galvanized steel/ colored steel
Effective width	Customize
Feeding width	Customize
Control system	PLC control system with inverter (Delta brand)
Diameter of roller	75mm
Material thickness	0.2-0.8mm
Main motor power	5.5kw
Hydraulic pump power	4kw
Working speed	10-14m/min
Material of cutting knives	Cr12 quenching
Material of roller	45# steel with chrome
Main frame	350H steel
Voltage	380v 3phase 50hz
Weight	about 3 T
Size	7.5m×1.5m×1.5m
Forming step	18 steps
