## Reasonable price Sandwich Block Wall Panel Making Machine

With our leading technology likewise as our spirit of innovation, mutual cooperation, benefits and development, we're going to build a prosperous future together with your esteemed enterprise for Reasonable price Sandwich Block Wall Panel Making Machine, We have been keeping durable enterprise relationships with extra than 200 wholesalers within the USA, the UK, Germany and Canada. Should you be fascinated in any of our merchandise, you should feel free to call us. With our leading technology likewise as our spirit of innovation, mutual cooperation, benefits and development, we're going to build a prosperous future together with your esteemed enterprise for [Building Machinery](#), [Eps Wall Panel](#), [Machinery For Making External Wall Panel](#), Besides there are also skilled production and management, advanced production equipment to assure our quality and delivery time, our company pursues the principle of good faith, high-quality and high-efficiency. We guarantee that our company will try our best to reduce customer purchase cost, shorten the period of purchase, stable items quality, increase customers' satisfaction and achieve win-win situation.

Rock Wool Sandwich Sheet Production Line parameters		
1	Equipment overall dimensions	30m*2.6m*3m
2	Total weight	About 16 ton
3	Control system	Omron encoder PLC
4	Main motor power	Planetary cycloid reducer, 4kw, 380V, 50HZ
5	Processing speed	4~4.5 m/min, continuous stepless adjusted, variable frequency speed regulation, digital display
6	raw material	1.2 meters
7	Voltage	380V
8	Roller material	chrome plated on 45# steel forgings
9	Number of rubber shafts	27 foams, 39 rock wool
10	Total power	30 kw
11	Synchronous controller	Digital synchronous controller
12	Corrugated press motor power	Double-stage cycloid reducer 4kw, 380V, 50HZ
13	Application	roof panel, wall panel

Components of rock wool sandwich sheet production line:

Roll forming machine	1 set
Hydraulic cutter	1 set
Electrical control system	1 set
Hydraulic system	1 set
Normal stacker table	3 PC. 1m*1m
Manual decoiler	1 set. Maximum load: 5T.
